ABOUT ORION

Orion is an SAP Authorized Training Partner established in India in 2000. Orion is a professionally managed company run by technocrats who have vast experience in Technology education—specializing in SAP training—Application development—professional services and project management.

We believe education is one of the most powerful tools in life. It allows us to find ways to live meaningful lives and helps improve people’s lives in a positive way. Education gives us an understanding of the world around us and offers us an opportunity to use that knowledge wisely.

Education is a stepping stone to a higher consciousness and fosters respect which leads to a more fulfilling, happy and prosperous life irrespective of caste, creed, and gender. Education makes it possible for people to stand out on an equal footing with all the other people and interact with individuals from different walks of life. Overall, education is a platform that makes it possible to overcome all barriers.

At Orion, we impart quality education by providing state of the art infrastructure. Our training center is located in the midst of all educational institutions of Ahmedabad. Orion is spread over an area of 2500 sq. ft. Our office is well designed with an eco-friendly atmosphere in mind.

OUR OFFICE

AATISH ANNEXE

307-3rd Floor, Nr Samarpan Flats, Opp K P Hostel, SV Desai Marg, Ellisbridge, Ahmedabad, Gujarat 380006 India

ORION FAMILY WOULD LIKE TO THANK YOU FOR YOUR TRUST & BUSINESS!

SAP AUTHORIZED PARTNER

As an SAP Authorized Partner, we follow SAP's best practices and methodology for training. SAP Authorized Partners must go through rigorous training and follow process and procedures implemented by SAP. Only Authorized Training Partners can offer SAP Global Certification.

OUR CORE VALUES

Integrity: We believe that honesty is the foundation of our Organisation.

Customer Service: We treat each customer with respect & ensure they have the best experience at Orion.

Quality & Reliability: We deliver quality and reliability to our clients from the beginning to the end.

Teamwork & Trust: We believe that the best outcomes are achieved when people work together across the entire company on mutual trust, shared ownership, and accountability. We act as one company and believe when we work together, we best meet the full needs of our clients.

Social Responsibility: We have an obligation to act in a manner that benefits the environment and society.

WHY ORION IS UNIQUE

- Leading SAP Authorized Education Partner of Gujarat since 2000.
- Facilitated by highly experienced, qualified Counselors and technical staff.
- Specialized in delivering SAP education and Professional certification programs in SAP.
- Outstanding Infrastructure—classrooms—high—speed internet and computers.
- A personalized training view to help you build your path to SAP certification.
- 100% Placement Assistance: we will help you get interviews at TOP MNC's like Capgemini, Deloitte, Wipro, IBM, etc—as per the Industry pay packages.
- Live Server Access—will help strengthen conceptual understanding by on system practice, and keep the knowledge refreshed after certification to get prepared for Placements.
- Soft skills training—prepares you for the corporate world and perform better in the interview.
- Internship—helps you to gain professional work experience while studying to be employable in the market and perform better in the Interview.

“Live as if you were to die tomorrow. Learn as if you were to live forever.”

— Mahatma Gandhi

ABOUT SAP

SAP stands for Systems Applications and Products in Data Processing. **SAP** by definition is also the name of the ERP (Enterprise Resource Planning) software as well the name of the company. **SAP** Software was founded in 1972 by Wellenreuther, Hopp, Hector, Plattner, and Tschira.

SAP system consists of a number of fully integrated modules, which covers virtually every aspect of business management. **SAP** is #1 in the ERP market. As of 2019, **SAP** has more than 140,000 installations worldwide, over 25 industry-specific business solutions and more than 75,000 customers in 120 countries. Other Competitive products of **SAP** Software in the market is Oracle, Microsoft Dynamics, etc.

WHAT IS ERP?

Enterprise Resource Planning (ERP) is a software that is built for organizations belonging to different industrial sectors, regardless of their size and strength.

The ERP package is designed to support and integrate almost every functional area of a business process such as procurement of goods and services, sales and distribution, finance, accounting, human resource, manufacturing, production planning, logistics & warehouse management.

ADVANTAGES OF SAP CERTIFICATION

- **Career**—SAP Certification helps to build your career with a bright future along with a great job. It is a global certification with global acceptability, recognized by reputed organizations & market leaders worldwide.
- **Money**—Enrolling in SAP Certification is a long term investment which gives enriching returns. The SAP certified candidate has opportunities for accelerated growth and can move faster in their professional career with good monetary gains.
- **Reputation**—Good reputation lasts for a lifetime and it makes a person treat him/her with the greatest respect. Being an SAP certified consultant is a brand in itself that evokes a special impression and acknowledgment from employers, colleagues, friends and family members.
- **Recognition**—SAP Certified consultants enjoy a special recognition with their employer and prospective employers. Many prospective employers publish their jobs by stating that “SAP Certification is mandatory” These statements are encouraging and motivating for SAP candidates to further their career.
- **Prospects**—There are many opportunities that open up in an individual’s life after SAP Certification. SAP certification has a lot of credibility in the market with many benefits.
- **Promotion**—Most employers promote certified consultants in their organizations. Everyone who is SAP certified, earned a number of benefits from their employers. SAP Certification will definitely help escalate career opportunities.
- **Self-Respect**—SAP Certification is a confidence booster and a source of self-esteem. It helps employers identify you like a more efficient and stronger employee. It boosts morale and self-confidence.
- **Prestige**—Many people believe that owning an expensive high end car - a large flat screen TV - the latest smartphone or a posh house is a symbol of personal prestige. SAP certification can provide a permanent mark of prestige and can open the doors for even other amenities in life. SAP Certification is the gateway to a life of prestige & prosperity.

An investment in knowledge pays the best interest.

– Benjamin Franklin

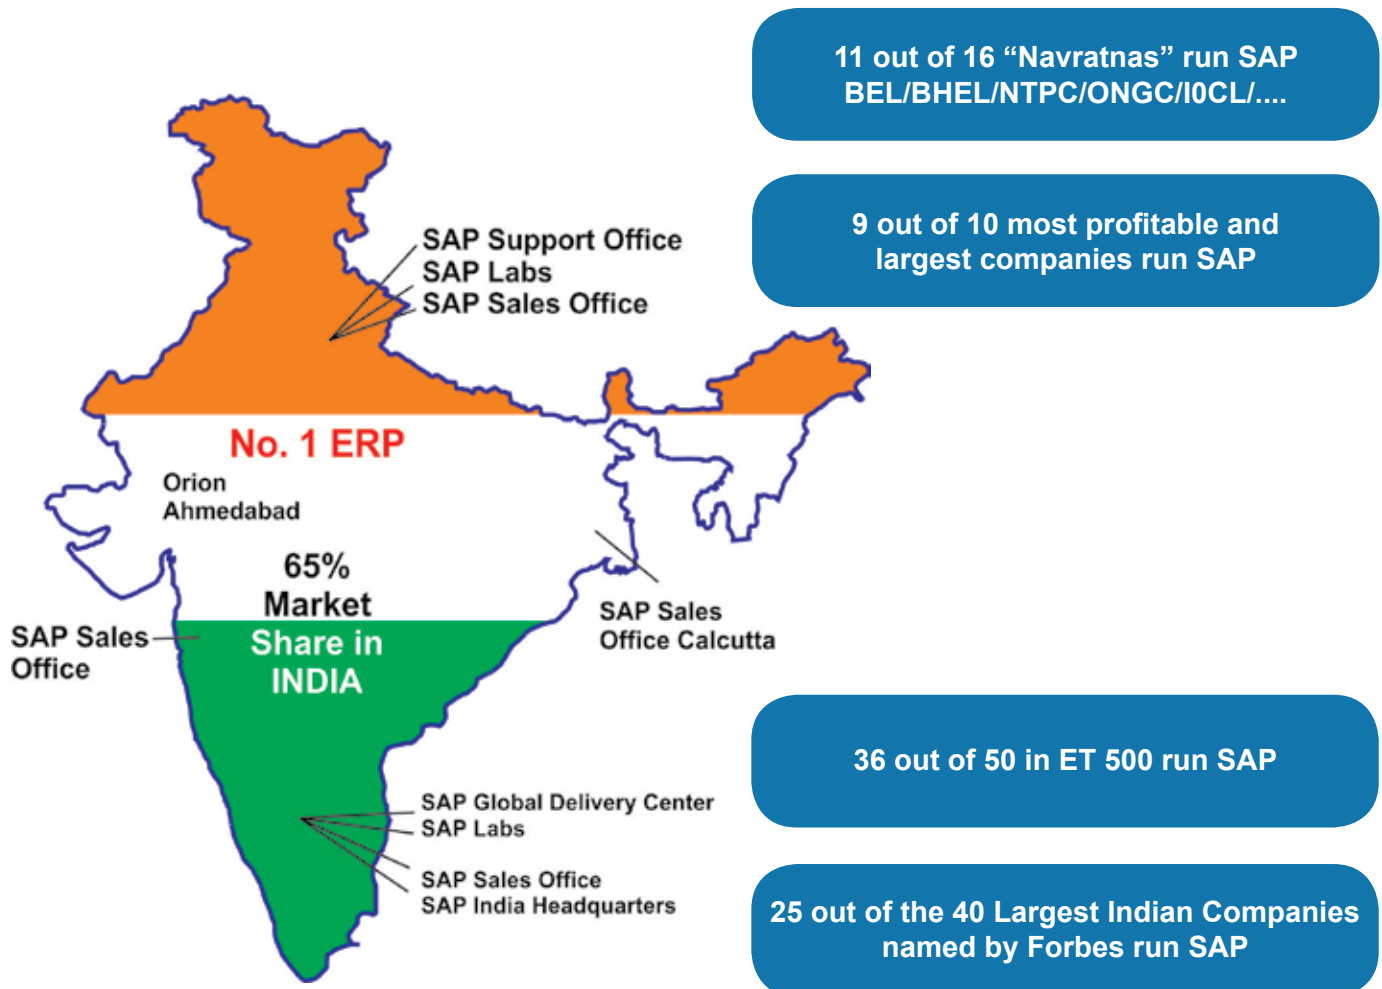

BECOME A HIGHLY-PAID CERTIFIED CONSULTANT

As the world’s leading provider of business software, SAP delivers products and services that help accelerate business innovation for its customers. Today, government agencies and corporations in more than 130 countries run SAP applications—from distinct solutions addressing the needs of small businesses and midsize companies to suit offerings for global organizations.

Companies are now taking a good look at their investments and the returns they generate. Large companies implement SAP ERP solutions to improve their operational efficiency. They are also reviewing the proficiency and capabilities of the people they choose to implement and operate their SAP applications. To advance in your career, you need to demonstrate that you are part of an elite group that has the talent and experience required to optimize SAP software.

The SAP consultant certificate continues to be one of the most sought after and most respected IT credentials. Those who have invested in it have achieved it through rigorous study and direct experience. They have proven their abilities by passing demanding, process-oriented exams. Thus SAP certification can give you distinct competitive advantages.

Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family.

– Kofi Annan

TESTIMONIALS

Rahul Chaturvedi–SAP FI

“It was a pleasure to enroll and undergo SAP training at your institute. It was really a very positive and motivating atmosphere at Orion and I felt very homely throughout the sessions. SAP course modules are designed in great detail and organized–truly SAP lived to its standards and I realized it and accept the gravity of the brand and quality of the course.”

Upal Patel–SAP MM

“Being an end user of SAP mm for 1 year I thought to become a consultant in SAP MM, then I just came to know about Orion and I had contact them. Right on the day of the visit I feel that I am the right place to get the guidance of my career. All the members at Orion are too supportive and are always cooperative. And even before my certification, I was given a chance to attend the interview of Capgemini and luckily I got selected for Capgemini. I am very thankful to the Orion Team for helping me in achieving my dreams.”

Ajit Makwana–SAP SD

“I really feel that I could not have received any better guidance/information from anywhere else as to what you have provided me over the last 2 days. I have contacted almost 4 SAP partners from Mumbai, Pune, and Bangalore and I must admit that I am touched with your professionalism and transparency.”

Zerna Shah–SAP FI

“Orion has excellent facilities & a very friendly environment. I was able to complete my Training & Certification successfully.”

Samiksha Kalra–SAP MM

“The course offered by SAP is very Practical & Productive as per the prevailing industry Requirement.”

Jyoti TCS

“I had the most wonderful experience learning SAP SD at Orion. The Training Center is excellent–the team is wonderful and helpful. I recommend Orion for SAP Training & Certification.”

Bhargav Sevak–SAP MM

“Orion has exceeded my expectation. It’s my immense pleasure to share with you all that Orion Ahmedabad center members are too supportive, excellent counseling & guiding methods. Orion has very good faculty and a supportive environment. All the experience I have gathered for 5 months was very good. All of the above factors combined helped me to clear my SAP MM Certification. I will strongly recommend Orion Ahmedabad center for learning SAP Certification.”

Hitesh Panchal–SAP FI

“Having 5+ Years of experience with SAP FI as an end–user, I decided to go for SAP certification to upgrade my Profile. Orion was wonderful with their Highly Experience trainer and Non–Teaching Staff.... A powerful and intensive experience where you literally take what you learn in the classroom into the work environment. Based on my experience doing SAP Certification at Orion Computech, I would recommend the same to others.”

Manoj Satwani–SAP SD

“Having pursued this SAP SD course that gave me the knowledge, confidence and overcoming my fears that always held me back has brought a new dimension into my life to achieve a successful career. I would strongly recommend anyone to Orion for their new beginnings in life.”

Chandani Gorla–SAP SD

“My experience with Orion was much better than expected. Thanks to a helpful and friendly team of professionals right from the trainers to managers. I will definitely recommend Orion to everyone who wishes to go for SAP Training. “

Kinjal Patel–SAP FI

“It was very good training & Certification experience from ORION SAP Partners. The Staff of ORION is very friendly and always motivated us. SAP Expert explained every concept in real time examples with many case studies. Thanks a lot for providing the best trainer.”

Komal Jani–SAP FI

“Very Good Experience at Orion.”
